

Summer Options with GMM

Whether your summer plans include teaching summer school, providing enrichment, or challenging students to retain their gains, Get More Math has you covered!

Summer School

- Focus on core skills needed for next course
- Use GMM to provide assignments, monitor progress, and give exams

Summer Enrichment

- Identify key concepts
- Use GMM to practice skills & monitor progress
- Enable more games
- Lower points to earn a game credit

Fun Summer Challenge

Current students

- Prune Mixed Review
- Disable assignments
- Disable penalties
- Increase skips

New students

- Add easy input answer skills to Mixed Review

Challenge ideas

- Most points
- Most silver & gold stars

Provide incentives

- Gift cards or prizes
- Meet and treat

Teacher Tips

- Keep it simple
- Set students up for success
- Model skills for students when applicable
- Provide a way to communicate with students
